

## **Permanent Mission of the Federative Republic of Brazil**

Item 8: *Capacity-building in space law*

[*Check against delivery*]

Madam Chairperson,

The Catholic University of Santos – UNISANTOS, is a pioneer in offering courses in Space Law in Brazil.

In this regard, it offers a postgraduate degree in Space Law and Policy.

The Course seeks to develop skills and abilities that maximize knowledge and enable professionals to train advanced practices in the legal and political, national and international, framework of Space Law.

It is the first postgraduate course in Brazil in this area.

It brings together Professors from Brazil and abroad, and involves topics such as International Law, International Space Law, Brazilian Space Law, National and International Seminars, Space Policy and International Relations, New Space Law Players and stakeholders, Digital Law and the Space Environment.

The course lasts for 1 academic year, and classes are live, online.

Students from Brazil and abroad have been taking part in the classes.

Thank you.
