(Signed) Adlai E. Stevenson

In accordance with the provision of Part B, paragraphs 1 and 2, of United Nations General Assembly resolution 1721 (XVI), I enclose registration data concerning objects launched into orbit or beyond by the United States. With these additions and deletions in the record Your Excellency will have received for the Committee on the Peaceful Uses of Outer Space and for the Public Registry a complete registry of all United States space vehicles in orbit or beyond as of 15 November 1964.

The United States launched no vehicles between 1 and 15 November which either achieved orbit but were no longer in orbit as of 2400Z on 15 November or which did not achieve orbit.

Letter dated 27 December 1964 from the Permanent Representative of the United States of America addressed to the Secretary-General
