National Space Legislation

Note by the Secretariat

At its fifty-fifth session, in 2016, the Legal Subcommittee recommended that States members and permanent observers of the Committee inform the Subcommittee, at its fifty-sixth session, to continue to submit to the Secretariat texts of their national space laws and regulations and to provide updates and inputs for the schematic overview of national space activities ([A/AC.105/1113](#), para. 121).

[Received on 27 March 2017]

Greece has not to date enacted national relevant legislation in this area. However, the Government recently announced the establishment of a Greek Space Agency and, in this respect, the necessary legal framework is about to be adopted.
