Programme of Meetings and Agenda for
Monday, 11 February 2019

10.00 a.m.–1.00 p.m.	895 th meeting	Board Room D
	<i>Agenda Item</i>	<i>Item No.</i>
	Adoption of the Agenda	[1]
	Statement by the Chair	[2]
	General exchange of views	[3]

3.00 p.m.–6.00 p.m. 896th meeting Board Room D

A symposium organized by the Committee on Space Research (COSPAR) on the theme “Space weather and small satellites” will be held today, 11 February 2019 in Board Room D, at 3.00 pm.

The symposium will be chaired and opened by Hermann J. Opgenoorth, COSPAR Space Weather Panel, with an introduction to space weather. Presentations will be made on the following subjects: “COSPAR space weather action teams: a bottom-up component of global coordination in space weather”; “Heliophysics space weather at NASA: research and small satellites”; “Space weather with cube satellites in Canada: the experimental Albertan Satellite #1 (Ex-Alta 1), the Canadian cubesat programme, and beyond”; “Combined small satellites and ground-based instrumentation for space weather studies in Brazil”; “Space weather forecast operation and research with small satellites”; “Small-satellite enabled science in heliophysics within Italy’s roadmap towards space weather science”; “Space weather and small satellites: a UK perspective”; “Space weather: outreach and capacity-building activities”.
