The Subcommittee continued its consideration of this item with statements by the representatives of France, the Philippines, and South Africa.

WORKING GROUP ON THE LONG-TERM SUSTAINABILITY OF OUTER SPACE ACTIVITIES

The Working Group held a closed meeting this morning.

988th meeting

Symposium

A symposium on the theme of “Space-Observation Contributions Supporting Climate Action”, organised by the Committee on Space Research (COSPAR), was held during the 988th meeting of the Scientific and Technical Subcommittee of the Committee on the Peaceful Uses of Outer Space.

The event was chaired by the President of COSPAR, Ms. Pascale Ehrenfreund and Mr. Ralph Kahn, Chair of the COSPAR Scientific Commission A, NASA Goddard Space Flight Center, who also made opening remarks to the symposium.

Presentations were made by Ms. Kate Calvin, NASA Chief Scientist and Senior Climate Advisor, USA, Mr. Edward Blanchard-Wrigglesworth from the University of Washington Seattle, USA, Ms. Anny Cazenave from the Laboratory of Space Geophysical and Oceanographic Studies, France, Ms. Angelica Tarpanelli from the Italian National Research Council, Mr. C.K. Shum from the Ohio State University, USA, Ms. Nancy H.F. French from the Michigan Technological University, USA, and Mr. Aneesh Subramanian from the University of Colorado Boulder, USA.
